A new development property in the Cala D'Or marina area is now offering 2-bedroom apartments for sale, characterized by architecture reflecting the essence of the Mediterranean style, where the predominant color is white. This project is surrounded by extensive gardens and features two communal pools, allowing you to fully enjoy the island's wonderful climate. The ground floor units come with spacious terraces, porches, and private gardens. The other apartments offer large terraces with delightful views of the town, the swimming pools, and the communal gardens. These homes, designed with a contemporary and minimalist aesthetic, are equipped with high-quality amenities and meticulous attention to detail. The finish is supported by the extensive experience of the developer over the years. Furthermore, each apartment includes a designated parking space. Contact us for more details and visits!
