Apartment in one of the best areas of Alcantarilla, on Calle Mayor, next to Plaza de Campoamor. It is a nice house, very square and that needs some adaptation, since it has been in disuse. You need new appliances and paint the house. It has a balcony with access from the living room with views over Calle Mayor. It has a living room, main room, 2 bedrooms, bathroom with bathtub and another with a walk-in shower. The house also has a parking space included in the price and a storage room on the roof which is accessed by elevator. It is a house that with a few touches can be the ideal place to live one step away from all the services in the center of Alcantarilla.
