IN PROCESS

A remarkable country estate – a beautiful and charming finca is located next to Puerto de Andratx (Port Andratx). Massive plot of over 50,000 m². The total 810 m² of the house offers a cozy, private atmosphere. Reformed in 2019, the property has a lovely big garden with an automatic irrigation system, its own lemon plantation and a large, secluded terrace area. There are six bedrooms with bathroom en suite, a living room, a dining room, an open kitchen, an office room. The heated pool completes the idyllic picture of the estate. The property is equipped with an air conditioning, high speed Internet connection, underfloor/radiator oil heating, an alarm system. There is an own water well, which allows to keep the garden green and abundant. There is a double garage and extra outbuildings to be used as a storage. Contact us for more details and for the viewings!
