61M²

80M²

IN PROCESS

A highly modern and beautifully designed house is being built here in a prime location, orientation and great sea views. The project will be completed in September 2024 and offers an open living concept on 3 levels with a total of 7 bedrooms and 8 bathrooms. The property has underfloor heating and air conditioning and is south facing. Furthermore there is a cinema / games room, a gym as well as a spa area and a car elevator into a garage for 5 cars. Only a few minutes away from the famous port of Porto Portals as well as from various restaurants and shops. Only 16km from Palma Airport. The price is turnkey. .
