Thirty three thousand three hundred metres of land comes with this villa therefore it isn't necessary to say how private this property is. Six bedrooms and three bathrooms are spread over this six hundred and forty three square metre house. As you drive through the gates and enter the property you get a feeling of grandeur due to the space that surrounds you. The ten by five metre swimming pool has plenty of sun bathing area and there is also a pool bar with a covered dining area. The master bedroom which is on the upper level of the house is approximately 40sq. metres and has a very large en-suite and separate dressing room. Three more bedrooms are on this floor and two more on the ground level. Also on the ground floor is an impressive reception area, a large kitchen/diner plus a lounge/diner and a separate dining room. Yes you are correct if you are thinking that there are many options when it comes to dinnertime. Overall this is a very impressive...
