This charming typical Spanish villa is located on a large property of 10,000 m² and is ideal, for example, for an entrepreneur who needs a lot of work space but also wants to be close to the private home and the family. A completely closed workspace of 400 m², a covered workshop outside, numerous storage rooms and storage areas, .. in short, too much to mention but absolutely worth it! If you do not need these workspaces, you can also turn them into an extra home if you wish. The private house has a total habitable surface of 330 m², all on one floor and consists of a very spacious kitchen with closed fireplace, a large storage / laundry room, a sitting room, lounge - dining room, 2 entrance halls (front and rear), 2 bathrooms, 3 bedrooms, a large walk-in dressing room and a beautiful covered terrace. There is central heating. The house has an exceptionally large basement which can be used for many purposes. The technical room for the...
