This development is located in Los Alcázares and has a total of 11 apartments. Each floor has 5 apartments of approximately 80 m² living space. Each apartment is characterized by the great use of space. The apartment has a bright living room with integrated kitchen (with kitchen appliances) and dining room, 3 bedrooms, 2 bathrooms (one en suite). The large terraces (+- 20m²) complete the apartments. There is a communal swimming pool with shower and gardens. The apartment on the second floor have access to a solarium of more than 80m². The building becomes environmentally friendly through various measures such as the use of rainwater for irrigation, less water and electricity consumption in the apartments and the use of natural materials (wood, lime). In the basement you will find a parking space and a storage room IMMO: GLOBAL - SPAIN REAL ESTATE / YOUR DUTCH-SPEAKING REAL ESTATE IN SPAIN (Costa Blanca, Costa Cálida, Balearic Isl...
