The project - a unique area with more than 300 days of pleasant sunshine. Close to the seam, tactically located on the Mediterranean coast, it offers a different lifestyle, with the best gastronomy, nature and white sandy beaches. All types of sports are available, from aquatic to land. You set the limits. Golf, sailing, running, Fascinating cuisine offers fun and relaxation in a natural environment. At the resort you will also find the Beach Club, the place where leisure and food court meet. Overlooking the lake it is the perfect place to disconnect. Even in the lake there are two islands, surrounded by sand and palm trees. In the resort you will also find La Reserva, an immense green space where you can exercise, walk or enjoy the landscape, to disconnect from your daily routine. It is a quiet residential area of about 124,000 m² of green grass, along which we can find parks, gardens and children's areas. In this beautiful park you will...
