MODERN PENTHOUSE WITH 2 BEDROOMS, 2 BATHROOMS, TERRACE, SOLARIUM, PARKING AND STORAGE IN TORREVIEJA Beautiful Penthouses, with a total of 2 bedrooms, 2 bathrooms, 1 terrace (total 18.50 m2), a large solarium (73.40 m2), with beautiful views, as well as a garage and storage room in the basement. These Penthouses are located in a beautiful urbanization that has 2 communal swimming pools, so if you need to cool off, you can go there. All this in a strategic location not far from the center of Torrevieja and not far from the main roads AP7 and the N332, allowing you to travel in any direction with ease. It is best to go to the nearest beach (Playa de los Naúfragos) by car, bicycle or public transport, because it is just a bit too far on foot (3.5 km) or about a 45-minute walk. In addition, the university hospital of Torrevieja is not far away if you need help quickly, something that people do not always think about, but which is of course important...
