D

House for sale in Los Pulpites in Las Torres de Cotillas. This property was built for the family and the construction quality is above average. The facade has 9 m and covers a ground surface of 184 sqm, with underbuilt, ground floor and upper floor. In the ground floor we can find a nice size lounge and dining area, a big kitchen fully furnished with a dining area, rear utility room, 3 bedrooms, one the main bedroom with en suite and a second bathroom. From the kitchen we gain access to a lower level patio area, partly covered with storage and access to the underbuilt and private parking, big enough for 3 cars. From the ground level, through a nice spiral staircase we can find a big attic with an extra bathroom and small extra room and access to a big solarium partially covered with magnificent open views. The property, located in Los Pulpites is on easy reach to most services and amenities as well as a short drive to the center of Las Torre...
