These are 2 apartments next to each other in the Wavehouse / Magaluf. The larger corner apartment has 2 bedrooms, a very nice and large open plan living/dining area with kitchen and a 15m² terrace with direct views of the beach and the sea. There is even a sauna in one of the bedrooms. The neighboring apartment next door is included in the price and consists of a bedroom, bathroom, kitchen, living room and terrace of 8m². The apartments are south facing and equipped with air conditioning. An underground parking space in the building is also included in the purchase price. Anyone who owns a property in the Wavehouse also gets certain discounts at the restaurant, the bar and the famous surfing machine, which is set up in the Wavehouse, as well as the various pool areas. There is a private exit to the large beach of Magaluf. All amenities are within walking distance, ranging from restaurants, bars, all kinds of shops, gym, paddle court, soccer ...
