This resort is located in Algorfa, in the heart of the Costa Blanca of Alicante, but far from the mass tourism of the city, allowing you to enjoy many facilities. Among other things, the golf courses within a very short distance, the proximity of the beach (awarded with the blue flag), the excellent connection with the airports of Alicante and Murcia; and of course the nice weather. Each villa has three spacious bedrooms (1 in suite), a spacious living room-dining room-kitchen, with the possibility of making the kitchen independent with 3 Japanese-style sliding doors. There is also a basement where you can create a relaxation or games room. All houses have their own plot where the parking lot, terrace and swimming pool with waterfall are located. All houses have the option to add a spectacular English patio that fills the whole with light and, if desired, the solarium. Curious? Call or email us.
