This resort is a brand new residential development offering Mediterranean properties for sale near the sea with 2 and 3 bedrooms near the sea in Costa Blanca, Torrevieja. The arrangement of the blocks in the perimeter of the plot, in search of optimal orientations and views, makes it possible to create a large central Mediterranean garden of more than 10,000 m² with 3 separate swimming pools, wellness, picnic, fitness and chill-out areas. They are all linked by walking footpaths suitable for those with mobility problems and children's play areas. The communal areas have large swimming pools, heated pool, gym and pool lounge, all in a private, gated and secure residential area just 250 meters from the sea.
