Great opportunity to acquire a very nice and idyllic building land in the area around LLujmajor. The land is divided into 7 parcels and is sold as a whole with a size of over 32,000m². You can either make 2 house projects + pool out of it, or build a very large house. Also very suitable for animal husbandry of all kinds and a lot of privacy. Only a few minutes by car to the center with many shops and restaurants.
